# Jill's Joys

By Jill Upson, Executive Director

Every time someone "steps into our story" I am filled with excitement! At our ten year anniversary we had pastors, leaders, volunteers, donors all stepping into the ACTION

story. What a joy to join together in one place in worship, praise, and vision. Imagine our whole county loving and living like Jesus! Wow!

As 2015 nears an end, I hope you will search your heart and take a larger step into our story if you haven't previously. Will you consider being a "sender?" By donating to ACTION you are allowing us to send more people into our community to minister to our neighbors. Then more Deborah's can get out of their house and to church using their new handicap ramp. More Patty's will be baptized. More Juanita's will join a Christian community. As well as more volunteers being disciplined, finding their calling, and fulfilling the great commission starting right here in our neighborhoods.

What a joy it is as together we serve our neighbors in need sharing the love of Christ and growing God's Kingdom. We thank you for being a part of the ACTION story as together we unite in God's Story!

Blessings to you as we give thanks and celebrate the birth of Jesus Christ.

Jill
