## Volunteer Liability and Photograph Permission Release

I choose to willingly participate in **ACTION's** community service events, and assume all risks stemming from my volunteer service to people in the community. I agree to indemnify and to hold harmless my Church and the Agency (**ACTION**), and other Community and Church Partners, from and against any and all liability, claims, or demands for personal injury, sickness, or death, as well as property damage and expenses, which may be incurred by me or which may arise from my activities as a volunteer. Further, as the parent/guardian of the minor family member named below, I acknowledge the same release of liabilities and permissions for them as well. By providing my email I agree to receive follow-up emails from **ACTION**. By signing this form I am acknowledging photo release permission for **ACTION**.
