

ACTION is a different kind of non-profit in Ventura County. We are individuals, agencies, businesses and churches who come together to serve the vulnerable in our communities. We're all the people who have ever said, "I wish I could do something." Throughout the year we connect volunteers with local service projects where they can serve with their skills on their schedule. Our annual events Serve Day and Community Christmas Shoppe serve thousands of under-resourced seniors, veterans, and people with disabilities. **We believe we accomplish more by working together. As part of our community, you can make us who we are by taking action. Will you join us?**
