Join us Ventura County serves together on May 12th!

ACTION is a nonprofit that mobilizes volunteers across Ventura to strengthen their communities through acts of service.

SERVE DAY is a county-wide event done in partnership with over 100 churches, agencies, and businesses. We engage in hundreds of projects to assist the homeless, disabled, elderly and under-resourced residents of Ventura County to let them know that they are cared for and loved. Types of projects include: building wheelchair ramps in mobile home parks, planting community gardens, washing windows for elderly residents and baking cookies for our first responders!
